

SCOTT KELLY

Freelance Web Developer

PROFILE

I'm a Full stack web developer based in the North East of England. I have a passion for building websites of all kinds and helping companies of all sizes build their online presence.

I've completed many online courses including freecodecamp.com front responsive Web Design, JavaScript algorithms and data structures and Front-end Libraries.

EDUCATION

Sunderland University

2011 - 2013

I attended Sunderland University Studying Exercise Health and Fitness in which time I learned many of the research skills I still use today.

Gateshead College

2009 - 2011

At Gateshead College I studied my BTEC in Sport Science completing many projects.

WORK EXPERIENCE

Metta.co.uk -Owner

September 2019

Metta.co.uk was started in 2019 after completing online courses focusing on web development.

Egger UK -Process Operator

June 2015

Egger UK is a fantastic company in the forestry and chipboard industry. I've worked at Egger for 5 years operating large machinery.

SureWind Marine -Deckhand

June 2014- June 2015

Working mostly in Germany where I took part in standard boat maintenance. I also completed all paperwork involved in running a commercial vessel.
